3RD ANNUAL FIRST RESPONDER
OF THE YEAR CELEBRATION

A group of smiling people, including men and women of various ages, are posed for a photo. They are wearing light-colored shirts, some with the OneGoat logo. The background features a banner with the OneGoat logo and a sign that says "We Can".

ABOUT *Us*

Welcome to OneGoat Foundation's 3rd Annual First Responders of the Year Celebration where we will honor Colorado's first responder heroes. Our annual celebration will kick off on Saturday, June 17, 2023, with our flip flop gala and auction at the Hilton Denver Inverness Hotel. Dinner, drinks, dancing, and most importantly, a celebration of our first responder of the year honorees.

We follow the gala and auction with a golf tournament on June 19, 2023, also at the Hilton Denver Inverness Hotel. Foursomes will play 18 holes in a gorgeous Colorado setting, enjoying breakfast, lunch, drinks and incredible swag to remember the day.

OneGoat Foundation is dedicated to providing Colorado's first responders with financial assistance when they need it most. First responders are our everyday heroes - the greatest of all time. As a 501(c)(3) organization, OneGoat Foundation is the first responder organization that takes away financial worry and stress during times of crisis so our everyday heroes can focus on healing.

We hope you will consider partnering with us this year by becoming a sponsor of this year's event. We can also customize other opportunities to fit your specific needs.
